The Oxford Brookes University campus is located on the outskirts of Oxford city centre within 10 minutes' drive of the historic centre of the city. The scenic campus offers high quality teaching and leisure facilities, including large modern classrooms, all with digital projectors, and plenty of outdoor space to relax and enjoy our varied social programme.

Accommodation is in the modern Clive Booth residence with single rooms. We are pleased to be able to offer a choice of standard rooms with shared bathrooms or upgraded en-suite rooms. The contemporary campus offers students a mature environment and a taste of the university experience in Oxford.

This is a relaxed, fun and caring young learner experience on a self-contained campus offering excellent levels of supervision. Outside of the classroom students can enjoy fantastic trips and activities in and around the beautiful city of Oxford and to London and other nearby cities.
